once again, embarking on a journey fraught with difficulties, as long-buried demons of blame and resentment resurface after more than a decade. Manuscript Found in Accra-Paulo Coelho 2013-04-02 The latest novel from the #1 internationally best-selling author of The Alchemist. There is nothing wrong with anxiety. Although we cannot control God’s time, it is part of the human condition to want to receive the thing we are waiting for as quickly as possible. Or to drive away whatever is causing our fear. . . . Anxiety was born in the very same moment as mankind. And since we will never be able to master it, we will have to learn to live with it—just as we have learned to live with storms. *

* * July 14, 1099. Jerusalem awaits the invasion of the crusaders who have surrounded the city’s gates. There, inside the ancient city’s walls, men and women of every age and every faith have gathered to hear the wise words of a mysterious man known only as the Copt. He has summoned the townspeople to address their fears with truth: “Tomorrow, harmony will become discord. Joy will be replaced by grief. Peace will give way to war. . . . None of us can know what tomorrow will hold, because each day has its good and its bad moments. So, when you ask your questions, forget about the troops outside and the fear inside. Our task is not to leave a record of what happened on this date for those who will inherit the Earth; history will take care of that. Therefore, we will speak about our daily lives, about the difficulties we have had to face.” The people begin with questions about defeat, struggle, and the nature of their enemies; they contemplate the will to change and the virtues of loyalty and solitude; and they ultimately turn to questions of beauty, love, wisdom, sex, elegance, and what the future holds. “What is success?” poses the Copt. “It is being able to go to bed each night with your soul at peace.” *** Now, these many centuries later, the wise man’s answers are a record of the human values that have endured throughout time. And, in Paulo Coelho’s hands, The Manuscript Found in Accra reveals that who we are, what we fear, and what we hope for the future come from the knowledge and belief that can be found within us, and not from the adversity that surrounds us. This eBook edition includes a Reading Group Guide.

The Supreme Gift - Paulo Coelho 2015-02-06

"I thought that I had already thought about everything you could think about Love when Henry Drummond’s sermon fell into my hands. My life changed a lot from the moment I read the words in this book and tried to put his teaching into practice." "Paulo Coelho" "If I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a clanging cymbal." At some point, all of us have heard this passage from St. Paul’s Letter to the Corinthians. But do we really understand his message? At the end of the 19th century, the young missionary Henry Drummond was asked to replace a famous preacher. Though at the beginning he did not convince the audience, they were soon captivated by his analysis of the words of the Apostle Paul. This sermon, The Greatest Thing in the World, has become a classic and is, without doubt, one of the most beautiful texts ever written on love. Drummond broke it down into the following nine elements: patience, kindness, generosity, humility, gentleness, dedication, tolerance, sincerity and innocence. Contrary to what we are used to hearing, the greatest treasure in the spiritual life is not faith, but love. No matter what your religious beliefs are, this feeling is, without doubt, the most rewarding way to live. In The Supreme Gift, Paulo Coelho adapts Henry Drummond’s text, offering a real and powerful message that will help us incorporate love into our daily life and experience all its transformational power in our lives.
