Jan 21, 2019 · The truth of the matter is, by virtue of the mention of these scholarships, one would not know how hard it is for Native Americans to go to college and relieve post-secondary education. While there is no denying that a certain minority percentage may be able to get these scholarships and receive a quality education, most cant.

College- and Career-Ready Standards | U.S. Department of
Federal policies encourage states to adopt high standards, but do not touch on curriculum, which is a state and local matter. Myths and Facts about Standards and Federal Policy. Federal law does not mandate a specific set of standards.

Sky Tellers - Seasons
This picture shows Earth from its side as it orbits our Sun. The axis is tilted and points to the North Star no matter where Earth is in its orbit. Because of this, the distribution of the Sun's rays changes. In June, in the northern hemisphere summer, the Sun's rays — and warmth — reach all the way to the north pole.
