Jane Austen at Home-Lucy Worsley 2017-07-11 "Jane Austen at Home offers a fascinating look at Jane Austen's world through the lens of the homes in which she lived and worked throughout her life. The result is a refreshingly unique perspective on Austen and her work and a beautifully nuanced exploration of gender, creativity, and domesticity."--Amanda Foreman, bestselling author of *Georgianna*, Duchess of Devonshire Take a trip back to Jane Austen's world and the many places she lived as historian Lucy Worsley visits Austen's childhood home, her schools, her holiday accommodations, the houses--both grand and small--of the relations upon whom she was dependent, and the home she shared with her mother and sister towards the end of her life. In places like Steventon Parsonage, Godmersham Park, Chawton House and a small rented house in Winchester, Worsley discovers a Jane Austen very different from the one who famously lived a "life without incident". Worsley examines the rooms, spaces and possessions which mattered to her, and the varying ways in which homes are used in her novels as both places of pleasure and as prisons. She shows readers a passionate Jane Austen who fought for her freedom, a woman who had at least five marriage prospects, but--in the end--a woman who refused to settle for anything less than Mr. Darcy. Illustrated with two sections of color plates, Lucy Worsley's Jane Austen at Home is a richly entertaining and illuminating new book about one of the world's favorite novelists and one of the subjects she returned to over and over in her unforgettable novels: home.

Funny Farm-Laurie Zaleski 2022-02-22 Funny Farm is an inspiring and moving memoir of the author's turbulent life with 600 rescue animals Laurie Zaleski never aspired to run an animal rescue; that was her mother Annie's dream. But from girlhood, Laurie was determined to make the dream come true. Thirty years later as a successful businesswoman, she did it, buying a 15-acre farm deep in the Pinelands of South Jersey. She was planning to relocate Annie and her caravan of ragtag rescues—horses and goats, dogs and cats, chickens and pigs—when Annie died, just two weeks before moving day. In her heartbreak, Laurie resolved to make her mother's dream her own. In 2001, she established the Funny Farm Animal Rescue outside Margtys Landing, New Jersey. Today, she carries on Annie's mission to save abandoned and neglected animals. Funny Farm is Laurie's story: of promises kept, dreams fulfilled, and animals lost and found. It's the story of Annie McNulty, who fled a nightmarish marriage with few skills, no money and no resources, dragging three kids behind her, and accumulating hundreds of cast-off animals on the way. And lastly, it's the story of the brave, incredible, and adorable animals that were rescued.

Think Like a Monk-Jay Shetty 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity - How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

Life Is What You Bake It-Valley Lomas 2021 "The first Black person to win The Great American Baking Show shares her story of personal growth and more than 100 delicious recipes. Popular baking personality and lawyer turned baker Valley Lomas was ecstatic when she learned she won the third season of The Great American Baking Show. However, her win was never seen by the world--Valley's season was pulled after just a few episodes when one of the judges became a focal point in a Me Too accusation. Rather than throwing in her whisk and lamenting all of the missed opportunities she hoped to receive (Book deal! Product endorsements! TV show!), she held her head high and hustled--which resulted in her getting press coverage everywhere from CNN to People magazine. Now, Valley debuts her first baking book. With 100 recipes for everything from Apple Cider Fritters to Lemon-Honey Madeleines and Crawfish Hand Pies to her Grandma's Million Dollar Cake, Valley shares heirloom family recipes from her native Louisiana, time spent in Paris, The Great American Baking Show, and of course sweets and breads inspired by her adopted hometown, New York City. Valley's "when life gives you lemons, make lemon curd" philosophy will empower legions of bakers and fans to find their inner warrior and bake their best life"--

The Young Elites-Marie Lu 2014-10-07 From the New York Times bestselling author of the Legend series I am tired of being used, hurt, and cast aside. Adelina Amouteru is a survivor of the blood fever. A decade ago, the deadly illness swept through her nation. Most of the infected perished, while many of the children who survived were left with strange markings. Adelina's black hair turned silver, her lashes went pale, and now she has only a jagged scar where her left eye once was. Her cruel father believes she is a malfetto, an abomination, ruining their family's good name and standing in the way of their fortune. But some of the fever's survivors are rumored to possess more than just scars—they are believed to have mysterious and powerful gifts, and though their identities remain secret, they have come to be called the Young Elites. Teren Santoro works for the king. As Leader of the Inquisition Axis, it is his job to seek out the Young Elites, to destroy them before they destroy the nation. He believes the Young Elites to be dangerous and vengeful, but it's Teren who may possess the darkest secret of all. Enzo Valenciano is a member of the Dagger Society. This secret sect of Young Elites seeks out others like them before the Inquisition Axis can. But when the Daggers find Adelina, they discover someone with powers like they've never seen. Adelina wants to believe Enzo is on her side, and that Teren is the true enemy. But the lives of these three will collide in unexpected ways, as each fights a very different and personal battle. But of one thing they are all certain: Adelina has abilities that shouldn't belong in this world. A vengeful blackness in her heart. And a desire to destroy all who dare to cross her. It is my turn to use. My turn to hurt.

Coming Out Swiss-Anne Herrmann 2014-04-15 Anne Herrmann, a dual citizen born in New York to Swiss parents, offers in *Coming Out Swiss* a witty, profound, and ultimately universal exploration of identity and community. "Swissness"—even on its native soil a loose confederacy, divided by multiple languages, nationalities, religion, and alpen geography—becomes in the diaspora both nowhere (except in the minds of immigrants and their children) and everywhere, reflected in pervasive clichés. In a work that is part memoir, part history and travelogue, Herrmann explores all our Swiss clichés (chocolate, secret bank accounts, Heidi, Nazi gold, neutrality, mountains, Swiss Family Robinson) and also scrutinizes topics that may surprise (the "invention" of the Alps, the English Colony in Davos, Switzerland's role during World War II, women students at the University of Zurich in the 1870s). She ponders, as well, marks of Swissness that have lost their identity in the diaspora (Sutter Home, Helvetica, Dadaism) and the enduring Swiss American community of New Glarus, Wisconsin. *Coming Out Swiss* will appeal not just to the Swiss diaspora but also to those drawn to multi-genre writing that blurs boundaries between the personal and the historical.

James Patterson by James Patterson-James Patterson 2022-06-06 How did a kid whose dad lived in the poorhouse become the most successful storyteller in the world? · On the morning he was born, he nearly died. · Growing up, he didn't love to read. That changed. · He worked at a mental hospital in Massachusetts, where he met the singer James Taylor and the poet Robert Lowell. · While he toiled in advertising hell, James wrote the ad jingle line "I'm a Toys 'R' Us Kid." · He once watched James Baldwin and Norman Mailer square off to trade punches at a party. · He's only been in love twice. Both times are amazing. · Dolly Parton once sang "Happy Birthday" to James over the phone. She calls him J.J., for Jimmy James. · Three American presidents have invited him to golf with them. How did a boy from small-town New York become the world's most successful writer? How does he do it? He has always wanted to write the kind of novel that would be read and reread so many times that the binding breaks and the book literally falls apart. As he says, "I'm still working on that one." James Patterson by James Patterson is the most anticipated memoir of 2022.

Black Girls Must Die Exhausted-Jayne Allen 2021-09-28 "It's a good thing that this is only the first book of a trilogy, because after getting to know Tabitha, you won't want to leave her at the end. . . . Written intimately as if you're peering into the mind of a close friend, this book is a true testament to the stresses on women today and how great girlfriends (and grandmothers) are often the key to our sanity." — Good Morning America The first novel in a captivating three-book series about modern womanhood, in which a young Black woman must rely on courage, laughter, and love—and the support of her two longtime friends—to overcome an unexpected setback that threatens the most precious thing she's ever wanted. Tabitha Walker is a black woman with a plan to "have it all." At 33 years old, the checklist for the life of her dreams is well underway. Education? Check. Good job? Check. Down payment for a nice house? Check. Dating marriage material? Check, check, and check. With a coveted position as a local news reporter, a "paper-perfect" boyfriend, and even a standing Saturday morning appointment with a reliable hairstylist, everything seems to be falling into place. Then Tabby receives an unexpected diagnosis that brings her picture-perfect life crashing down, jeopardizing the keystone she took for granted: having children. With her dreams at risk of falling through the cracks of her checklist, suddenly she is faced with an impossible choice between her career, her dream home, and a family of her own. With the help of her best friends, the irreverent and headstrong Laila and Alexis, the mom jeans-wearing former "Sexy Lexi," and the generational wisdom of her grandmother and the nonagenarian firebrand Mrs. Gretchen, Tabby explores the reaches of modern medicine and tests the limits of her relationships, hoping to salvage the future she always dreamed of. But the fight is all consuming, demanding a steep price that forces an honest reckoning for nearly everyone in her life. As Tabby soon learns, her grandmother's age-old adage just might still be true: Black girls must die exhausted.
