Social Ontology (Stanford Encyclopedia of Philosophy)
Mar 21, 2018 · Social ontology is the study of the nature and properties of the social world. It is concerned with analyzing the various entities in the world that arise from social interaction. As an alternative to 'compact' or 'agreement,' the legal theorist Samuel Pufendorf, in De Officio Hominis et Civis The 1881 formation of the Triple

Forensic Odontology - an overview | ScienceDirect Topics
Forensic odontology is a branch of forensic medicine and, in the interests of justice, deals with the proper examination, handling, and presentation of dental evidence in a court of law. The work of a forensic odontologist covers the following: • Identification of unknown human remains through dental records and assisting at the scene of a mass disaster

Contemporary Approaches to the Social Contract (Stanford
Mar 03, 1996 · The ultimate goal, then, of social contract theories is to show, in the most general sense, that social (moral, political, legal, etc.) rules can be rationally justified. This alone does not, however, distinguish the social contract from other approaches in moral and political philosophy, all of which attempt to show that moral and political

Cosmology (philosophy) - Wikipedia
Philosophical cosmology, philosophy of cosmology, natural philosophy, or philosophy of cosmos is a discipline directed to the philosophical contemplation of the universe as a totality, and to its conceptual foundations. It draws on several branches of philosophy—metaphysics, epistemology, philosophy of physics, philosophy of science, philosophy of mathematics, and on the fundamental theories

Real estate transaction - Wikipedia
A real estate transaction is the process whereby rights in a unit of property (or designated real estate) is transferred between two or more parties, e.g. in case of conveyance the property being the seller(s) and the other being the buyer(s). It can often be quite complicated due to the complexity of the property rights being transferred, the amount of money being exchanged, and government
